ACCESS:

Please review the vehicle dimensions and consider any possible restrictions for width / height etc when accessing your site.

Advise us if you believe there may be problems, as occasionally we may have to substitute a different vehicle for which prior knowledge will assist us in providing the correct variant.

Vehicle Dimensions

5.8 Metres Long 2.4 Metres Wide 3.4 Metres High

Make - Johnsons VT650 15tn (Gross Vehicle Weight)

Tardis road sweepers have a dual sweeper function, warning beacons so that motorist can see the Road sweeper from afar. All come with a high pressure water system, mounted overhead boom for gully pot cleaning with a side mounted pressure washer to loosen dirt within the drain so that the boom arm can suck the dirt away and into the tank.

Vehicle is suitable for

- Gully cleaning
- Interceptor Cleaning
- Road Sweeping
- Site Cleaning
- Damping down
- Industrial cleaning

Vehicle Will Carry
